“ *While I was an active member of St. Peter's U.C.C., I had the pleasure of working with Stephen and Doug Schwanger as they dealt with various plumbing and heating problems at the church. Doug was always hard working and willing to do the jobs others didn't want to do. During emergencies he was the first to respond to our pleas for help. While in and around the church, he always had a smile and kind word for those that came to see what was being done.*

While I now live in Minnesota, I will keep the Schwanger family in my thoughts and prayers during this difficult time.

“ Aunt Linda May and family, I am so sorry for the loss of your son and brother. I have very fond, loving, fun filled memories of Dougie as we were growing up. All the Christmas parties, cookouts were such fun and his laughter could be heard above everything else.

When I had my house, Doug always delivered the oil, inspected the oil burner and chased my son on the pipes that ran the length of the house. There was ripples of laughter coming from both of them they called themselves team monkey Dougie and Tony.

When I moved to Florida I lost contact, until a few years ago when he popped up on my Facebook. We had many great conversations over the years and I will greatly miss those.

Aunt. Linda May you have my heart felt sympathy. Love to and the family
