“ I graduated with Pat from Solanco . We always danced at the reunions, even when she was in the wheelchair. I always looked forward to having a crazy time with her. She was a favorite of mine & I will miss her. Lots of love & hugs to the family. She was a very special person. I live out of the area & hope I can attend the memorial. Sincerely, Julie Blantz

“ Dear Pat's family, such a beautiful family I might add!! I worked with pat a couple years ago in homecare. Got very close with her and Dudley, also one of pat's close friend Sharon. unfortunately, after a year & a half of working there I had to relocate to Manheim township area. I called pat a few times we would speak and catch up. when I had my daughter, she said I can't wait to meet your little girl. I promised her that when I gave birth I was going to come visit. life took over, I waited 6 years too long. Yesterday 2/09/24 I walked into Rouff towers with my daughter to go see and visit her. I could feel my heart pumping so fast because I know that she was going to be very excited to see me and my gal. Like I said I was 6 years too late because when I arrived, they said she had just passed away last week!!! ugh my heart was crushed. I love you so much Pat and I'm so sorry I've waited so long to see you!!!! I WILL FOREVER LOVE YOU!!!!!!!!!!!!!!!!!!!!!!

love always , Breyonna.
