“ *Dear Ellen, I heard about the accident on Friday evening but was leaving town the next morning. I am so sorry to have missed Jim's service. I was devastated when I learned of what happened. Jim was a great person I always enjoyed talking with him when we were all out and about walking our dogs. I was impressed with his strength and determination. I will always remember Jim and Ellen being kind enough to leave a bowl of water on their porch every day for my previous dog, Trent, so he could get a refreshing drink on the very hot days. I will miss him, but will always remember his kindness. Ellen, you and your family are in my thoughts and prayers. God bless.*

“ *To the family of Jim Albright. I was saddened to hear of the tragic accident that took his life and injured Miss Ellen. I have very fond memories of my 10 years of tap lessons with Miss Ellen. I think Jim had helped with the backstage end of the dance recitals. Your family is in my thoughts and prayers.*

“ I just wanted to offer my condolences on the passing of Mr. Albright. I live down the street and every day when I would come home from the doctors or the grocery store, I would see them both working in the yard or spending time with their little yorkies. A few years ago I was walking my elderly dog and Mr. Albright was kind enough to give him a drink of water because it was a hot summer day and he said my dog looked thirsty. I never thought to ask his name and every day as I was stopped at the stopped sign, I would smile at them and wave. I'm just sorry it took a tragedy to find out their names. Rest in peace Mr. Albright and may your loved ones know that you will always watch over them and that you will live on forever in their hearts and their memories.
