“ To Missy and Eric, I am so sorry to hear this news. What a sudden loss. I will ALWAYS remember how both your mom and dad took to my daughters as their grandkids and making a lasting impact on them. Your dad was very funny and would do anything for anyone! My favorite memory would be when Missy lived above your parents (When the complex was called Stonemill Station) Missy would use fishing line and would attach things to the ends and just mess with your dad as he was sitting in his chair trying to enjoy his cigarette. You two are in my thoughts, as I know this is such a sad moment for you. Look at it this way, he's up there with your mamma! Love always, Chrissy, Draelyn, and Brianna ❤️
