“ My dear, sweet Uncle Ed! He absolutely meant the world to me. I was so honored to be his niece. Thanking God that me, Stan, my Mom, Dad, and Nanny could spend the time we were able to spend with him. After my pappy passed away, he took over as the patriarch of our family. My love for antiques, public sales was inspired by him! He was a very simple man who lived a very simple life. He didn't care about material things, but wanted everyone to save their money...just like our pappy always told us. I was blessed to be such an integral part of his life and I thank God for blessing me with such an awesome uncle. I will miss working with him in my nanny's garden and his help around her house taking care of the lawn and her flower beds. This past year turned out to be one of the best years I've ever got to spend with him. He is no longer in pain and feeling tired. His heart just could not work anymore. What a peaceful passing he had! The angels came down and carried him gently into the ever glorious presence of our Lord and Savior! There's no better place to be! Rest in Peace my "Uncle Eggie"! Stan and I already miss you and we will forever love you! You're antiques legacy will be carried on...with us! Give hugs to pappy for us!

To my awesome Nanny, Mom, and Dad --- Uncle Ed would have been lost without your support these last 3 years! Especially this last year. When he needed people the most, you were there for him. You can go to bed every night and have a clear conscience knowing you took care of your son, big brother, and brother-in-law!

To Anne - we know Uncle Ed loved you very much! He took a piece of you to heaven with him. Thanks for being his companion for these last 30 years and ensuring his memory for all of us will remain a positive impact to those who knew him. We know you loved him and will miss him as much as we will. Always know our family is your family and we want you to remain in our lives!

Thanks to my Nanny, my parents, my sister, my cousins, and other

*family and friends for praying us through the loss of a great man!
Love and blessings to you all!*
