“ *Edie was real class. I met her when I joined NAMI, Lancaster Chapter, in the mid-1980s. She always embodied propriety, decency, caring earnestness and had a wonderful laugh and sense of humor.*

*One could always depend on her to follow through in her endeavors to the best of her ability. And she was an empathetic listener.*

*I was honored to know her and her daughter Suzy.*

“ *Edie was our next door neighbor for many years on Grandview Blvd. Most days when I came home from work she was sitting outside. We had so many conversations some lasting an hour or more! I missed those conversations so much when she moved to Willow Valley. She was a lovely woman and a wonderful neighbor. I'm so glad we got the chance to know her. She will be missed, not only by me and my husband, Chris, but also our children, Cory, Page, and Rudy who also grew to love her. Our sincerest condolences.*
