“ One of my very first memories of Eldon & Estella was sitting on the front fender of a car Eldon was working on (what else in his spare time?) behind Estella's house. Estella sat on the other fender and she pulled out some playing cards and taught me to play "Gin Rummy". Eldon was in the Navy Reserves and Grandma put his reserve unit picture on the middle bedroom wall...and his Navy duty is one of the reasons I joined the Navy (and ended up serving in Vietnam). “ *Estelle, may God comfort you with many memories and fun times you shared with Eldon. We remember you both so fondly, as gracious and happy people, always together. What a blessing for these times of sadness. He was a kind fellow, always helping out and serving in church. A man after God's own heart.*

peace and love, Mike and Linda Wilson, former members of West Willow UMC

“ *Eldon, while you were actually my uncle, you were close enough in age that you sometimes seemed like an older brother. As the youngest of my Uncles, our interaction was special. And, while you lived half a continent away for most of our adult years, you were a significant influence on my life. You set an example for all of your 30+ nephews and nieces to follow. We will miss you dearly! We pray for Estella, your daughters, and their families, that they might find solace and peace with the passage of time.*
