“ *Aunt Elva: I know you are now with Uncle Bob and both in peace, living together for eternity. I cherished each time spent with you especially when you were making your cakes from scratch. I thank you both for the beautiful daughter you created. I love Sheri with all my heart and will take care of her in any way she needs me until the end of time. I trust God created a red carpet for you to enter the gates of Heaven with Uncle Bob waiting with arms open. God Bless. Love always and all ways. Nancy Jo Dietrich*

“ *Thank you Jesus for putting heroines like Aunt Elva into my life for so many years. Her love, influence and skill was invested into the lives of so many. All of those wonderful family gatherings with 4 generations under one roof will never be forgotten. Most people growing up today have no idea of what memories and joy they can provide. A haven of peace, fun and tremendous food. I've never met anyone who made what seemed like 50 distinct varieties of Christmas cookies and all from scratch. You always remembered fruitcake at Christmas and the famous white jelly. Aunt Elva will be missed but never forgotten. My prayers are lifted up for Sheri and the rest of the family.*

*Sincerely,

“ Dear Family, I am sure it was your parents that lent a hospital bed to my mom for my dad back in the early 80's when he was dealing with his cancer. My husband Glenn and the man he worked with on his uncle's farm picked the bed up at your parents' home. Thank you for your kindness to our family and you all have our sympathy.
