

Eric Scott Snyder

October 10, 2020

Eric Scott Snyder, 49, of Lancaster was called home on Saturday, October 10, 2020 after a lengthy battle. He was the son of Abner E. Snyder, Jr. and Barbara A. Snyder his beloved mom who preceded him in death in January.

Eric was the husband of Ingrid R. Snyder (Hollinger) and they celebrated 25 years of marriage this past May. Together they raised their three children, Collin Snyder, husband of Dorathy, Amanda, wife of Alec Kauffman and Emily at home.

In addition to his dad, wife and children, he is also loved by his three grandchildren: Carter and Kinsley Kauffman and Bradley Snyder, and his sisters, Teresa Kunkle and Wendy, wife of Scott Wissler.

Eric was adored by his nieces and nephews who enjoyed time spent with their uncle.

He graduated in 1990 from Penn Manor High School where he played soccer and ran track. He was also a skilled cabinet maker who perfected his skill over many years.

Eric loved any chance to go hunting with “his boy” and loved fishing at the beach with all his kids. He also loved spending time in Potter County and

Ocean City, Maryland.

Eric was most proud of his family which he treasured and those he loved he gave his whole heart.

If you know Eric, you knew how he loved to laugh and tell stories, so we invite you to come in your comfy clothes and sit a little while with us at his Celebration of Life Service at Faith Bible Fellowship Church, 151 Donerville Road, Lancaster, PA 17603 on Thursday, October 15, 2020 at 11:00 a.m. with Pastor Neil Franklin officiating. The family will receive friends from 10:00 a.m. at the church until the time of service. Interment to follow at Conestoga Memorial Park.

Please feel free to jot down your favorite memory or “Eric” story for the family to remember.

Eric and I grew up as neighbors and I will always affectionately remember him as "Bimp" and "Ear ache." I will also remember his kindness and smile that went on for a mile! You will be missed, Eric. May you rest in peace! 🕊️

“ Ingrid, I'm so sorry. I feel like I've known both of you forever but my moving around so much as an adult has kept us out of touch. Praying for you and the family. ❤️❤️❤️

“ I knew Eric way back in elementary school. He was always getting me in trouble because he was always able to make me laugh during class! From reading some of the comments, he never lost that gift! Being able to make people laugh and smile is a great quality to have, and he did. My deepest sympathies to the family.

“ I met Eric when we both worked at Snavelly's. He was such a hoot! I was always guaranteed a good laugh when I talked to him. My thoughts and prayers to his family. May your memories carry you though this sad time.

“ My favorite memory with my cousin Eric is when he took me for a ride on his mini bike. We rode past the local curmudgeon’s house. This made him mad and he ran out yelling at us so we spun around and quickly rode home. I don’t remember how old we were but it was thrilling, scary & hilarious! ❤️

“ Eric and I became friends way back in 4th or 5th grade. We played baseball a lot together back then. I’ll never forget the day I was playing 1st base and Eric was up to bat. He hit a ground ball near me and I picked it up and ran to first base to get him out. We collided with each other knocking each of us to the ground. We use to talk about that day the entire way through H.S. Love you brother. Rest easy. Gods speed my long long time friend.

“ I have known Eric for over a year, he was always telling us stories and making my family and I laugh! This past winter we went sledding with him and made us all laugh! My brother Jordan is Emily’s girlfriend, ever since I met the Snyder family I enjoy always being over there and hanging out! Eric was an amazing man! We will forever miss him! My heart goes out to everyone!

“ I have many great memories of Eric. He always stopped by at our house for visits. Later he spent a lot of time in Potter County to help build and hunt at the family cabin. He will be greatly missed. Everyone will be in our thoughts and prayers.
