“ *Terry, I'm so sorry for your loss. Not sure how old the obit pic was but your Mother aged very gracefully. In talking with my Mom, she had shared you and your brother would walk up to our house to catch the bus after your parents left for work.*

My deepest sympathy for your loss. Praying that you find strength from your faith, family and friends.

Sorry to hear of your loss. Know you did all you could by going to see her daily and taking her outside when weather permitted to enjoy being outside. Remember your memories to get you through this time.

Take care
