“ *My Great-Aunt Esther was one of the kindest women I've ever known. I have many wonderful memories of her. She will be missed.*

“ *I was lucky enough to be Esther's neighbor and friend for 17 years. She was a kind woman who baked some awesome cookies! It was so nice to share plants from our gardens or to simply talk across the fence between our yards. She always walked over to see my dogs and give them a pet on the head. I will miss her greatly.*
