“ *A bunch of us from Valentino's would go up to visit Faye late Saturday nights, after we closed the cafe. We would have so much fun . We hated she was alone there so late. RIP Faye. Remember you fondly!*

“ Faye and I attended many Union functions over the years. One convention in Hershey we drove back and forth for the weekend. We roomed on several times at conventions and she always had stories to tell. I will miss you my friend until we meet again. Connie
