“ *I just found out, 8 years to late. Fonda was a sweet woman, fun to hang around, I'll never forget spending nights at her house. I was there the night Kim Cope cut her hand, crazy times. I missed her, without even knowing she was gone.*

“ *Fonda was one of the few people I could talk to with ease. She was always smiling. She kept on trying no matter what came her way.*

She is missed.
