“ I'm her Granddaughter named Kelly. I miss the times spent with her as a child. She was very loving and caring. I could talk to her about anything. Then I would bring my kids to spend time with her. Memories we'll never forget. I would help clean her house, write her checks, explain what her medicine was for, take her shopping and take her out to eat. She always had a positive outlook in life and would always make you laugh. We love you Grandma, Great-Grandma! Love always, Kelly, Theresa & Tristan! Till we see you again!
