“ *I would see Frank when I'd visit my Mom at The Mennonite Home. He was such a sweet man and would give me candy. I'm turn, I would bring my dog to see him. I will really miss seeing him. He had a way about him!*

“ *I am so sorry for te loss of Frank. He and my dad, Harry Keares, were good friends and I have wonderful memories of him at our house and going to his. I last saw him in 2005 at my dad's funeral and have thought of him often since then. I hope there are playing cards in heaven!! Let the poker games begin!*

“ *Rest in peace, Uncle Butch. We know you are in a better place, and one day we shall meet again. God has now a precious and loving friend. You are truly the OG when it comes to "special personality". Many angels are smiling and laughing as you pass their way. On the sands of time, you have left your footprints with me, our family and all of your friends.*

“ Oh, Frankie, I am so saddened to hear the news of your death. I enjoyed our conversations at Mennonite Home and your greetings of "hey, missus." The hallways of my workplace will be less bright without you there. You will be truly and sincerely missed...
