“ Fred, I miss you everyday! Words cannot express the loss I have felt and tears that I have shed this past year knowing you are no longer hear for me to talk to or confide in - no one to say "Watch drivin." You were so special to me - I love ya, Uncle Fred! I know this separation is only temporary because we will meet again in HEAVEN - with no more sickness, no more pain, because we both accepted JESUS as our saviour - so see you later my dear friend!

“ I miss you just like my mom. You will never know how many people showed up at your funeral service. Again, I miss you, so do my kids and my wife. I just spoke with you on Thursday, before the superbowl, anyway, I hope you and my mother and grandmother are having fun in heaven, take care. Kevin Kendig I miss all 3 of you. If there is a heaven, I will see all of you then. Tell my mom I said Hi, and NAN too. THANKS. Kevin.
