“ I was so sorry to learn of the passing of Bill. We were hired a month apart at the Lancaster Parking Authority and we both retired a month apart. He was my very good friend during the 20 years we worked at LPA. We shared good times and sad times and I always knew I could depend on him for help. My heart goes out to all of you. May God bless you and comfort you at this sad time.

I got to also work with Bill, and Wanda at the Parking Authority. Things weren't the same after you they both left. My father and I still talk fondly about Bill and of the memories we share from working there. I am sorry for your families loss. He was a great man, and influenced many. I will keep your family in my prayers.
