

Gary D. Beveridge

December 18, 2022

Gary D. Beveridge, 87, passed away on Sunday, December 18, 2022 at Lancaster General Hospital. He was born in Connellsville, PA on April 13, 1935 and was the son of the late Duncan Beveridge and Vera Condiff.

Gary graduated from Turtle Creek High School and obtained his bachelor's in industrial management from Carnegie Mellon University in Pittsburgh, PA. He then worked at Armstrong World Industries for 36 years as the Director of Purchasing. He retired in 1993.

He volunteered at the Arthritis foundation, the Grand Prix of St. Petersburg Florida, and other places throughout his lifetime and was also a member of the Lancaster Country Club.

He married his highschool sweetheart, Alice Lynn, and they were married for 66 years. She was a cheerleader and he played trombone in the band. They lived in Lancaster for many years and enjoyed traveling together around the world, with favorite spots in Monterey, California and St. Petersburg, Florida.

Gary loved his family and he always put his family first. He was the family photographer and videographer and captured countless family memories. Gary was a go-getter. He was always getting up early, taking his family on adventures and trips, and staying active. He had a need for speed. He

participated in many racing schools, had a passion for aviation, and loved riding roller coasters with his granddaughter (over and over again). He worked as the boat captain at Dutch Wonderland for some time where people fondly called him Captain Gary. He enjoyed the outdoors and was an avid runner and tennis player. He loved the beach, whether it was on the west coast or Florida. He also had creative talents, including being an avid Jazz fan, watercolor painting landscapes of his travels, and making hand-made Christmas wreaths every year that he would gift to friends and family.

Gary is survived by his daughter Sauni Hulse, wife of Franklin Hulse Jr. of Lebanon PA; his granddaughter Taylyn Hulse, fiancée of Logan Torrence of California; his sister, Daine Melchior, the wife of Urban Melchior, of Florida; and his nephew Christopher Melchior of Florida.

Memorial services will be held in private with the family.

“ Dear Saudi.....During the heyday of tennis in the 70's and 80's your Dad was instrumental in forming a solid format for tennis play at LCC. Gary was our tennis chairman. We had a fun group of players who liked to play tennis and socialize. We had fun socials, member/guest parties and well supervised tournaments. Alice Lynn and Gary hosted great Chili parties too. Gary loved his family and we are sending along our prayers and good wishes for you and your family at this sad time. Please give your Mom a hug for me. Fondly,
Dee and Ron Smith

“ Dear Family of Gary Beveridge,
My name is Don Benninger, and I was a member of Gary's purchasing team at Armstrong for many years. He was a wonderful "boss" and did so much to help me in my career. We also had some great times together with Alice Lynn and our valued suppliers of goods and services to Armstrong. It was a period in my career that I look back to with fond memories of Gary. My wife May Jo and I are so sorry for your loss. You have our sincere sympathies.
Don Benninger and Mary Jo Murphy

SC

“ Dear Sauni, it seems like just yesterday I was with your Mother and Father celebrating the arrival of Taylyn. So much time has passed by since that. I enjoyed so many wonderful years with your parents, particularly your Mother on the tennis and paddle tennis courts. I visited with your parents in early fall at the home they have always lived in and I'm pretty sure your Mother knew me. I did not realize your Father had been ill. Please know that my sympathy and prayers are with you, Frank and Taylyn at this difficult time. Love,
Sandy Cross

Dear Sauni,
Your Dad and Mom are a part of so many memories that Harry and I shared with them. Tennis, golf, dinners!!!! I so remember the birth of your daughter Taylyn. How happy they were!!!
In recent years, your Dad was so protective, caring and loving to Alice Lynn as she was declining.
My deepest sympathies to you and your family.
Please give your Mom a special hug from me,
Mary Garman-Miller
