The top picture is of Gary and my mother (his aunt) Pat. They kept in close contact for several years after Anne’s (Gary’s Mom’s) death. They were a comfort to one another after Anne’s death. So sorry to hear of his passing.

“ Gary, I haven't seen you in 50 years but I'd recognize that smile anywhere. As your younger cousin by about 3 years, I remember spending time as a young child listening to records on your record player, and watching you play midget football games. I remember that you and your dad both liked fishing. Glad to see that it became a lifelong pleasure. You were older than me and bigger than me, but I remember how very kind you were to me and that has stayed with me all these years. I can see that you were surrounded by friends who loved and cared for you and this makes my heart glad. Rest in peace and God bless you.

“ I have many memories of Gary dating back to 1974, too many to list. We still laugh at many of the Phoenix escapades to this day.

“ Bruno you were a dear friend of mine since we were teenagers. You were there with Jessicas Daddy and Gabe when (Jessica was born) at that old farmhouse in Marticville on Good Friday. From that day on you were her Uncle Jelly Belly. Fly High my friend, I'll see you on the other side!

“ To the friends of Gary: As one of Gary’s many cousins, I want you to know that your interest and consideration in arranging the funeral service for Gary is appreciated very much. I have this feeling that Gary was more than a ‘friend’that you were his ‘family’ and as such, I want to extend our sympathy to all of you for your loss. Although our chances of meeting you are remote in that we are distant (Canada) I want to say “thank you” for what you did. Sam (and Bernice) Young!
