“ Judy and Family,
Bugger was a wonderful husband and father. He was a great brother in law. He always had us laughing when he visited. I know his favorite mother in law was waiting for him in heaven. Jim, Bug, Lee, Mom and Daddy. I can just hear the stories non stop up there.
Remember all of the good times you had with him. Loving memories are what our lives are really about.
God Bless, Love always, Sandy

“ Dear Bruce and Brian and Family. We were both sorry to learn of your Father's passing. Please allow us to express our most sincere condolences at this time. Both Judy and I know what it is like to lose our Fathers, and we know something of what you and all your family is experiencing at this time. No amount of preparation can make you ready for such a time as this, but we would like to offer these words of comfort at this time of your sorrow. These words and scripture have been meaningful and helpful to Judy and I and we pray they may be of some small comfort to all of you ... GOD in love has promised grace for every trial, strength for every sorrow, help for every mile, and may HE in sympathy and unfailing love impart help for each tomorrow and new courage to your heart. Cast your burdens upon the LORD, and HE shall sustain you; HE shall never allow the righteous to be moved ... Cast all your cares upon HIM, for HE cares for you ... Psalm 55:22, 1st Peter 5:7 ... sincerely, your neighbors, Judy & Fred Holler

“ *My condolences to the Minnick family:*

I worked with George from 1989 until he retired from UGI. He was a very hard working man and funny person he was a joy to work with he made coming to work a pleasure. George and Doug were like Batman and Robin when they worked as meter readers for UGI. He was a good friend and co-worker he will be sadly missed. May God give him the peace he deserves he is in a much better place now.

With Sympathy,

Nancy Henson & Family.

“ *George started my training at UGI in 2001, he always called me BOZO. To this day he would see me out working and he would honk his horn and yell bozo at me. He made us laugh and smile everyday at work. I always enjoyed seeing him at John Herts and when I was doing work in his neighborhood. He will be missed dearly by many but is was a true joy knowing him.*
