“ Lucy, Uncle George was always very kind to me. I remember all the table manners he taught me while I was staying with Grandma and Poppa. My most recent memory was how he enjoyed being around the kids in our families.

I know I will continue to hear his voice in my head every time I open a jar of pickles.

Take care of yourself, you are in my thoughts and prayers.

“ Lucy, sorry to hear about Uncle George. He was always kind to us as children. I remember walking through the fields with him, at Grandma's. Every time I smell patchouli I think of him. Love that smell. Take care of yourself. Roxie Adams
