“ *Over the past 35 years, Georgie and I have shared a great deal. Her smile could light up a room, but she did not seek the limelight. Georgie was a true and loyal friend, a sincere and caring individual, who will be missed by many for a long time to come. There is a whole in all of our lives which aches, but we will always remember the beauty that Georgie brought to each of us. Leigh-Ann Powers*

“ Georgie and I worked together on the Home Depot account at Armstrong. I was brand new to the account and she was always happy and eager to help. I admired her kindness and selflessness and am glad I got to know her. She will be missed my many, including myself.

“ Hi! Georgie was my cousin. My Dad was her father's older brother. My Dad was an engineer with Armstrong, and we were transferred to Kankakee, IL. when I was in 1st grade in 1948. We always came back to Lancaster several times a year. I did not see much of Georgie after our grandparents died when I was in college. I last saw her at my brother - Tom Leman's funeral on July 16, 2000. It was kind of her to come since we had not seen each other for about 20 years. She was the last of a long Leman history in Lancaster. We go back to the 1700's there. My sister-in-law just told me about Georgie's death today(Tom's widow , Vickie, who still lives in Lancaster. We come to Lancaster twice a year and meet my 2 cousins from my Mother's side plus Vickie on our way to Baltimore to visit our oldest daughter and only grandson. (We have lived all over the NE and are back here in Illinois.). I was very sorry to hear about Georgie's death, and you are all in our thoughts and prayers. We will be thinking of you on the 26th. (We will be in Lancaster for lunch on our way to Baltimore on the 30th.)
Sorry this is so long, but I knew you would have no idea who I am nor my connection to Georgie. She was the youngest of the 6 cousins.

“ I worked with Georgie at Armstrong and became a friend. We lost touch after I left in 2012 but recently reconnected. She looked great last December when a group of us from CRA got together at David Gelatt's home for the Christmas holidays. It was great to see Georgie since we knew she had gone through the initial diagnosis. Everyone was happy and full of hope for her and for our re-connection. God Bless your family and friends. I hope to get to the service but if I don;t know I send my heart-felt sympathy and look forward to seeing Georgie again in our eternal home. - Joan Schwebel
