“ *It was only since his move to Pawleys Island that I got the opportunity to spend time and get to know Gerry. Gerry was a very kind and patient soul. I would like to follow his example and learn to be more patient with myself and others. He had an uncanny knack for always being able to smile. He never seemed to despair; he seemed satisfied with the knowledge that he was doing the best he could and was content with that. Mostly I am thankful that he was such a dear friend to my mother. We will miss him at our holiday meals and will most certainly raise our glasses in remembrance. He was with us here in Pawleys Island a short time but in that time made many friends who will miss him. I will miss his sunny disposition and optimistic outlook. It was a pleasure for us to get to know him these last few years.*

“ *My condolences to the Family and Friends of Mr Droz. I was saddened, and sorry, to learn of his passing. I had most recently talked to him on January 19th. We had a very nice 13 minute conversation just discussing current events and South Carolina.*

I had the privilege of representing Mr Droz as his Realtor in the sale of his property in Deer Ford this past year.

Mr Droz was a very smart, patient, loyal, and interesting man. During our marketing time, we had many interesting conversations. He was pleased to be relocating to Pawleys Island with his friend Jerry.

I will miss him as a friend and I will miss our little chats just keeping in touch. May God Bless Him, his Family and his Friends.
