“ *Jerry was a great guy. he was always smiling, remembered my name, pleasant, laughed a lot. I've knew him off and on for 20 yrs, from when I first came in the program. He will be missed.*

“ *Jerry and I were friends for about 15 years. I have some really good and fun memories of our interaction over the years. They range from hunting to playing cards at the 521 club. I know that he was suffering the last year or so, that I know of. Thank God that he is at peace and no longer suffering. Unfortunatly, I will not be able to attend his services as I am going out of town tomarrow and will be in Montana until the 1st of March. My thoughts and prayers are with you as you walk through the loss of a father, grandfather, friend and brother. May God be with and bless each and everyone you in the trials that lie ahead.*
