“ I so enjoyed delivering mail to Gertrude at Moravian Manor. She was a sweetheart. I loved to hear her comments about the articles in the Daily Chronicle that the residents received daily at the home. I'll always remember the 100 roses that her son sent for her 100th birthday.

“ Gertrude and I became friends about ten years ago while attending Boehm's UMC. After I moved to Virginia five years ago. we kept in touch by phone on most Sundays. She always thought it was amazing that I was born the day of her first marriage! We shared many thoughts and feelings through the years. She was truly a treasure. Her mind was always sharp even when I last spoke to her a few weeks ago. She loved my dogs and enjoyed their visits to her. Gertrude was very special to me and I will miss her more than words can express. My sincere sympathy to all of the family.
Sincerely,
