“ *Gloria is an amazingly wonderful, kind lady whom we met through our good friends, Ted and Dawn Seifried. We also enjoyed talking to her when we would see her at family functions. She loved her family very much and she will be deeply missed by all who knew her but especially her family. She is at peace now joining her husband, George and our friend, Ted.*

“ Gloria was a part of our group calling ourselves the Lady Mailers. We would stuff and apply labels to mailings for-non profit companies.. We started with IU13 at Burle Industries, then for several organizations in the Janet Avenue complex. The Boy Scouts of America was the last place we volunteered. We started going out for lunch once a month as a group after we didn't have any projects. Covid ended our getting together .

*Gloria will be missed. Paulette Bledsoe*
