“ *Dearest Graeson, I will forever remember your amazing smile and charming personality! The cutco knife incident stands out, as does our fun trip to Rutgers! You were always larger than life itself! Sorry we could not be at your service yesterday, but I know you understand the crazy shit that goes on in life. Peace be with you! And Melanie, our thoughts and prayers are with you. We are so sorry we could not make it to yesterday's service. I hope it brought some kind of peace to you and your family. All our love to you.

“ *Melanie, my heart breaks for you. I am so sad about Grayson. He was a wonderful person, and a memorable one in Susan’s growing up years. I will never forget the kindness extended to her by you and Graeson. You are in our hearts this day.*

“ I remember you that you walked in a room with a smile on your face and never meet a stranger. Your laugh was awesome and brought people together . I have felt that people walk through me life for a reason. I know you are in God's hands now. Watch over all of us now and lead us in I ife. Csrol
