“ Vicki and family,
We have been neighbors with Greg for years. He was such a nice man and always had a smile. Enjoyed talking to him at Darrenkamps. Thoughts and prayers are with all of you.

It saddens me to hear the news of Greg's passing. He was one of the truly nicest human beings. But boy he was competitive, playing ice hockey he was going to win no matter what age you were. He like to pick on everyone and laughed when he made moon cry. I remember him putting Nan's chair in a wave at the beach and the wave knocked her over. He was fun! Rest easy Greg, peace be with you as you rest forever in the arms of our lord.

“ Vicki and family, you are in my thoughts and prayers as you mourn the loss of Greg. The smile and twinkle in his eyes on this photo is how I remember him from our 20 years of co-working. I don't recall any time when he didn't have a smile and humorous comments. May the great memories you have hidden in you hearts carry you through this time. Pinky Glick

“ I'll remember my uncle as someone who lit up a room whenever he walked in with his wit and just the right amount of sarcastic humor. I'll remember his hockey skills on the pond at Uncle Mike and Aunt Shelley's house, and how he didn't care how young you were if you were on his team. If you messed up, he made sure you knew it. He was a great role model to all of us who grew up knowing him as Uncle Greg. I love ya, Greg.
Your nephew,
Dave
