“ *She was such a great lady, always treated me as if I was her own child when we were kids. I use to love going to Alex's house after school and on the weekends not only to hangout but to eat some of her cooking. God has made one beautiful garden with this special lady!!*

“ *Our dearest sister-in-law Grisel, there are not enough words to describe how loving, caring and generous you were to us and to many others. You were a good mother and a good wife to my brother Miguel. You were also the best sister-in-law anyone can ask for. We will always remember the fun trips, vacations and adventures we all had together. You will be greatly missed. Rest in peace sweet lady.*

“ We remember Grisel as a kind and generous neighbor when we lived across the street from the Pichardo family. We are saddened to know of her passing but have the hope of seeing her again some day in Heaven. She will surely be missed by all of her family and friends.
