“ *Uncle Glenn flew out to Phoenix, Arizona when we were young about 50 yrs ago to help our family move back to PA. Our father, his oldest brother, was in hospital and could not manage the move. So Uncle Glenn came, drove our mother and 7 of us children back to PA. Dad was flown to PA several days after we arrived. He was a blessing to our family.*

We would visit Glenn and Arlene in their home at different times and places, the farm, the retirement house at Timber Lane ??--not sure now of the exact name of the place. He enjoyed showing off the different projects that he was doing at the time eg the wooden chests for his children, a big quilt, the family tree quilt. Very creative.

“ *In thinking of Glenn I am reminded of Nathaniel - a man in whom there was no guile.*

Glenn & Arlene have been our wonderful friends since the early 1960's. We met them at a Fellowship Meeting - not sure just where for the first time. We have pictures of them taken at Messiah College in 1963. For the past 30 years we have gotten closer to them because we moved to Elizabethtown near where they lived. We are so thankful for the love of Christ shared between us. It is a bond that will NEVER be broken. Wayne & Mary Lou Lawton
