“ When I was 6 years old my mom sent me to a program called the Fresh Air Fund which allowed kids who lived in the inner city to visit with a family in another state for 2 weeks in the summer. On my 2nd trip to visit a family, I was left standing there because no one came for me. Turns out Hanna's girl did not show up either. Hanna walked over to me and asked my name. Rhonda I said. Hanna with a big smile said well I have a baby girl named Rhonda would you like to come stay with me and my family? And I have loved her since! I would visit several summers after that. That was nearly 53 years ago! I lost contact for many years but was Blessed to find the family about 10 years ago and had an opportunity to bring my family for a reunion. Hanna actually remembered my favorite ice cream and the purple eggs she would make that I loved. She had all of my favorites 😊 Those times with the Lapp family had such an impact on my life. I had an opportunity to play with Amish children, go every where without shoes, eat mint leaves right from the bush and play in the corn fields. I would never have had those childhood experiences or memories if it weren't for Hanna and her family. I got to see another world, and what a happy loving family looked like. For this and the love she showed me I will always be eternally grateful. Rest In Peace Hanna until we meet again! Your Other Rhonda ❤️

“ I was so blessed to have met Hanna when I moved across the street after my husband passed away. We often talked about what we were going through as fairly new widows. Hanna became a good friend chatting and crafting together. Her garden was always the talk of the neighborhood. I miss her dearly! Prayers and strength go out to her family. Hanna touched my heart with her kindness.

“ Hanna was a very special friend to me, despite my knowing her for only the past 2 years. We served on our Christian Women's Club planning team together as treasurer's. She was a most thoughtful and articulate woman and was always willing to lend a helping hand. Please accept my most heartfelt and comforting wishes, now knowing your loved one is safely in the arms of her Lord and Savior.

“ Hill family - So very sorry for the loss of your dear mother & grandmother. We got to know Hanna (and her sisters) over the past 1.5 years when they started attending Celebrate Christ Church. She was such a sweet & faithful soul. We will continue to hold up all of you in prayer during this difficult journey. Blessings, The Palmer family
