

Dr. Harold F. White

September 2, 2022

On Friday, September 2, 2022, Lancaster, PA, lost its heart and soul when the legendary

Dr. Harold F. White passed on to Glory at the age of 90. He had been under a physician's care in Washington, D.C.

Harold Frederick White, Sr, Lancaster, was the husband of the late Ruth Lorraine (Bowser) White and had been a resident of Lancaster City for over 60 years. Dr. White was born in Reading, Pennsylvania, on June 25, 1932, the son of the late Clayborne M. White and Carrie G. (Jackson) White. He was the second youngest of six siblings: Clayborne M. White Jr., Charlotte R. White, Elizabeth G. (White) Morrison, Robert L. White, and Esther M. White.

In 1950, Harold graduated from Reading High School and started his college education at Lincoln University. He initiated into the Omega Psi Phi Fraternity, Inc., Beta Chapter at Lincoln University, and later joined the Kappa Omega graduate chapter in Harrisburg, Pennsylvania. He served in The United States Army from 1953 to 1955. In 1956, he graduated from Lincoln University with a Bachelor of Science degree in Biology. He continued to advance and graduated from the Pennsylvania College of Osteopathic Medicine in 1961.

Dr. White moved to Lancaster to serve his internship at the Lancaster Osteopathic Hospital. In 1962, he started his private practice. One of his

proudest moments was in 1972 when he partnered with The Lancaster Urban League and Lancaster Osteopathic Hospital to provide the first Sickle Cell Anemia screening tests to black elementary school students.

During his 50-plus years in practice, Dr. White was affiliated with the Lancaster Osteopathic Hospital, the Community Hospital of Lancaster, and Lancaster General Hospital. He was also a member of several medical associations: Pennsylvania Osteopathic Medical Association (President, Board of Trustees, House of Delegates), the American Osteopathic Association (House of Delegates), and the American College of General Practitioners in Osteopathic Medicine and Surgery (Fellow), the Lancaster Osteopathic Hospital Department of Family Practice (President). In 1980, the Pennsylvania Osteopathic General Practice honored Dr. White as "Physician of the Year".

In 1970, Dr. White ran for a seat on the Board of the School District of Lancaster to be a voice for the community and was the first black member to be elected. During his 24 years of service, Dr. White was elected Board President, served as Chairman of the curriculum committee, and served on every board committee on the Lancaster Foundation for Educational Enrichment and the advisory board of the Multicultural Enrichment Center. In 1995, the Board of the School District of Lancaster voted to name the new library in the McCaskey East building after Dr. White, in honor of his outstanding dedication and commitment to the education and well-being of the children in the district.

Dr. White's community involvement reached far and wide, including The Rotary Club of Lancaster where he was a Paul Harris Fellow, Big Brothers Big Sisters of Lancaster (Founding Board Member), SouthEast Lancaster Health Services (Founding Board Member), the National Association for the Advancement of Colored People, Urban League of Lancaster County

(President 1971-75 and 2004-07), and the Lancaster Chapter of the American Red Cross (Board of Directors 1968-1984).

Dr. White is survived by his four children Vera (Lee), Harold Jr., Michele (Cynthia), and Marc; three grandchildren, Jessica, James, and Christian; his sister, Elizabeth G. (White) Morrison; Sister-in-Law, Opal L. White; and Brother-in-Law, John E. Bowser (Frances); and a host of nieces, nephews, cousins, relatives, and friends.

Friends and the community are invited to pay their respects during a public viewing on Thursday, September 15, 2022, from 12 noon to 8:00 p.m. at The Groffs Family Funeral Home, 528 W. Orange Street, Lancaster, PA 17603. Parking is available. All visitors are encouraged to wear a mask and observe social distancing guidelines.

The Homecoming Service to honor Dr. Harold F. White will be held on Friday, September 16, 2022. Due to Covid-19, capacity is restricted and necessitates a PRIVATE, family service. However, we invite and encourage the community to join us via live stream on Friday, September 16, 2022 starting at 10:00 a.m. by clicking on this link <https://client.tribucast.com/tcid/9258069120>. Private interment in Charles Evans Cemetery will follow immediately after the service.

In lieu of flowers, the family requests that remembrances be made in the form of contributions to the JFGoodwin-Scholarship-Fund. Dr. White sought assistance from this organization during his matriculation at Lincoln University. Their scholarship enabled Dr. White to achieve his dream of becoming a physician. Mail donations to The J. F. Goodwin Scholarship Club, P.O. Box 386, Bethlehem, PA 18016. Donations are tax-deductible.

My deepest condolences to the family. Thank you so much for blessing Lancaster with the trusting compassionate skill of not only helping our physical bodies but looking out for our mental health as well all his patients felt God's love from him I personally and my sisters will forever cherish Dr. White and family ps. I know he's happy to be back with his flawless wife she was gorgeous.

“ I first met. Harold White when, I was a young girl sick and was homeless and a runaway he was in his office his wife let me in and he took care of me got me better and then after that, I was with him from day 1 till he retired you no, Mark was the best also he would let me daughter answer the phone cause he was so busy all the time and she was always their to help him mark we are sorry but you are missed and also the reason his funeral was live was because he dilivered and made well to so many ppl that the funeral parlor wouldnt have been able to hold the massive event of harold white and their would have been lines miles long and so their for its why it was over the internet on live tv but in a way that was good but also bad because not everyone new this and we all missed out on seeing the best man that was known to us the best ever come on now could have been better you no. I will miss dr white and he was a great doctor people didnt like him some hated him but he never hated me and when i was learning several things due to my mental illness he would say i dont work on these days come to the house and and i will be here knick on the back door and dont worry about mark but mark was never their any ways and he talked to me in the kitchen and showed me several things and that will never be disclosed to anyone and we had a good chat and I left. Mark used to tell me you better never come to the house to see my dad well mark sorry but i did several times. Anyways he got my life on the right path he dont to me the right for mental illness and i may still have it today but not as bad as when i first met him. His wife was so nice i think everyone loved her and then he was alone and he was just great and great man that what i want to say. if anyone wants to remember him go to his grave sit and talk to him let him know you care and that you will always be their for him cause im sure no one else will be doing that but i will and thats a fact. Rip harold Ill always remember you and love you always... God Speed.

“ Dear Vera, Harold, Michelle and Marc,
You may not remember me but for quite a few years, I baby sat u when I was in high school and college. Having grown up in Conestoga Woods, Dr Bove was my neighbor. My sincerest sympathy to u all with the passing of ur father. I continued seeing ur father after college, as I was a teacher in SDoL for 33 years. While he was on the school board I would see him occasionally at Fulton Elementary Scool where I taught. It was always a pleasure to see him and I admired his devotion to the school district. He was a good man and always put his patients needs on the fore front. I know how important he was to the community. I will keep u all in my thoughts and prayers. Ur parents created a wonderful legacy.

“ Dr. White was not only my family doctor for years but a special friend who I can call at any time wether I was sick or just needed someone to talk to. He was a very special person not just to me but to the community. Dr. White was the kind of person that would see patients whether they had money to pay him or not people always came first to him. My family and me only have good memories of him and will always cherished that. We will miss him dearly may he Rest In Peace. I had tried looking for him when he closed his and was always concerned about him because he wanted to continue to work with the community this is a big lost to me and the people that loved him. My respects to the family especially Mark who I personally knew. Maria & Victor

“ I remember being so sick when I was younger. He and his wife opened his office to evaluate me. I sat there puking my guts up while his wife cleaned up after me. He admitted me to Community Hospital and took such good care of me. Also, all the times he cared for my grandparents. My grandma trusted no one but him and Marc. Condolences to Dr Whites family. Sending My Condolences and Prayers living in the South East Dr. White was most of Our Physicians. He made payment plans for those who could not pay at their visit. He would always remember who owed money. Marc always had your chart ready. Great Memories .He could have went anywhere else but was determined to help his people in the 7 the ward. Take your rest, receive your crown Well Deserved.

I was 7 years old, I was bit in the head by a boxer dog. Blood all over me as I was taken the ER at the Osteopathic. As I was being wheeled in I was told Dr White will be seeing me. I was 7, the Doctor was black. That was strange to me but I’ve never forgotten him. He put 9 stitches in my head. I’ve never forgotten you. It was 1962. God Bless
