“ *So sorry to learn about Harriet's death. When I think of her I recall how she enjoyed art. I got to know Harriet working together as Junior League members and also at Lancaster County Art Association when it was on Vine Street. I believe she served as the part-time staff to have the Association open to the public for exhibit viewing. Harriet always had such enthusiasm and dedication in what she did, and always with that smile as in the picture. I am sure her family has wonderful memories that will in time warm your hearts.*  
*Sincerely,*

“ So sorry to read of Harriet's passing. I was fortunate enough to be her roommate recently at rehab. We shared many memories of past friends and events of the former St. Joseph Hospital auxiliary. She was a great lady to work with there. I remember her as a very pretty lady who always got things done.
