“ *Skip was an incredible friend. A mentor, a best friend. Showed me how to create pens. (after talking me into buying his lathe lol.) Watching football. And he lost a bet and had to wear my Bronco jersey. And the day of his baptism. He told me he was moved cause I did it. The days on the ranch... I could go on and on, I really loved that man. Best 10 years of my life. I will always miss you. RIP..*

“ Skip was my Sgt. for a few years. A real cops cop. Wasn't afraid to get his hands dirty and never missed an opportunity to teach a rookie the real way to do the job.
RIP, Skip.....

“ Skip was my Best Friend in Colorado Springs for more than 10 years. Although he was a former Marine, and I Army, I never held that against him. I loved him, but never showed him often enough. I hope that in his heart of hearts, he felt it. It's not easy or common for Warriors to say "I Love You" to one another. Skip, I miss you. Brother; I'll see you again beyond the sunset. (Who knows? Maybe we can go fishing again and you can help me drag the anchor all over the lake...again!) - Russ Sanderson

“ Skip and Dee were so kind to me when I was a crazy teenager living at a foster home in Lancaster in the late 70"s. I was always crying about something and he was always there to listen to me. May our Lord, who knows your sorrow, bring you peace.

“ *Dee and Family:
We went to Mt Calvary Church together. I worked alongside Skip on many calls since I was a firefighter in the City. He was always very friendly and good to work with. I give you all my sympathies and hope your memories will help you at this time.*

“ *Dee & Family - we enjoyed our campouts with you two. Ken remembers ignoring you at Aspen Acres as you sat on the porch and we didn't know you had joined the Ute Crickets! So glad you did and that we got to know Skip. May he rest in peace. Love from all the Ute Crickets! Bev & Ken*

“ There are many prayers for this family as Skip was one of a kind! But not only prayers for this family, but a prayer for every family to have a Skip like him in theirs! We all loved our cousin Skip, as he loved hard on everyone he knew! His hugs were like a giant bear wrapping you in comfort! His laugh was just the laugh you needed when he greeted you! His smile, you would find joy and the twinkle in his eye, you would see and feel such love! LOVE - JOY - COMFORT - it's most definitely what we think of when we think of Skip! Ohhhhh and stories! If you never heard a Skip story or a Skip joke, you didn't know him quite as well as the rest of us! Ohhhh and.... You had to have seen Dee's eyeroll during one of said stories or jokes!!!
Love you Skipper! Sure gonna miss not being able to hug you the way our special cousin hug just fit! (You know the one!!!!)
And Dee, Rick, Sean, your spouses and Skips beloved grands who he cherished ---all my love as you endure this next chapter without your Love, Dad and Pop! May he rest in peace as he now shares more stories and jokes with all of our family at their big grown up table - in heaven!!! Have fun Skipper!! Love Kasey
