“ I am deeply saddened to hear about Hazel passing. She always was so kind and loving towards me. I was always so happy to see her smile, and hear her call me her Blondie.....She was a absolutely wonderful lady, and she will be missed. ❤️

“ Hazel was my very favorite resident, and I will miss her very much. She was always pleasant and had a smile on her face, and was the sharpest 101 year old I've ever seen. Every time I would say my goodbyes and leave her room, I would still hear her thanking me for stopping in as I was two steps out her door, making sure I knew she appreciated the company. I will think of her always, especially when I see "her" roses bloom on the bush outside the door closest to her room--how she enjoyed those! I will miss you always, Hazel!

“ I visited Hazel every month for the past 2 years as a deacon from the church. She was always a delight to spend time with. We laughed a lot as we talked about the church, the politics of the day and her fond memories of family and life in Lancaster. Her neice and nephew were very, very special to her. I will miss her but she is at peace now with the Lord.
