“ *This is definitely a huge loss to our family. My uncle was a fun loving man and definitely loved his family. I'd like to remember him for all the good times such as the time he was at our house for a gathering and put on a blonde wig of mine with a coconut bra and grass skirt and started dancing in our kitchen and and acting sassy saying, "two snaps in a circle!". He could definitely make you laugh. He lived with us for a short period and he would watch the ID channel constantly and it drove my dad (his brother) crazy because that's all he watched all day long lol. He was definitely a character. We will all miss him very much. We love you uncle Hector. Rest peacefully.*

“ My deepest condolences go out to my family.. Hector will be greatly missed.. Hector has a special place in all of our hearts, memories that is were he will be kept.. Hector loved his family more than some realized.. I loved when Hec came to events at our home! I would put music on and he would sing the song even if he didn't know it, he would make his own words up to it. He would sometimes dance especially if it was his jam. He had some moves some were silly moves. Ben and him would make me laugh when they would bust on each other those two had me cry laughing!! You are gone but will never forgotten Hec. You live through your family. Keep singing and dancing brother in law I love you very much!! Your sister in law GLO

“ So sorry to learn of Hector's death. I considered Hector a good friend and I was concerned about his deteriorating health. I kept in touch with occasional phone calls. He was kind, gracious, loving and he loved JESUS and his family. It was so good to know him these past two years. Prior to COVID, he attended Sunnyside Mennonite Church, participated in our Sunday School class and really enjoyed the fellowship at our church Men's Retreat in Jan 2020. I worked through a Bible Study series with him in person and then on phone when the pandemic hit. It was such a privilege to know him. I loved this man and will miss him.
