“ *I am so very sorry to hear of your loss. I didn't know Helen very well as I met her for the first time when her granddaughter married my grandson. I only saw her a couple of times after their wedding but I remember her as a smiling and very friendly lady.*

She is now with the Lord and her husband....she is happy.

I know you are now missing her and are very sad. Be sure I am thinking of you and praying for you.

May God Bless you

“ *To the family of Helen Rowe Fegley. My deepest sympathy to you on cousin Helen's passing. I have many fond memories of her mother and father (my Aunt & Uncle) while growing up in Lykens. Helen had a wonderful personality, evident of the influence of her parents and the love of the Lord. She was certainly well suited to be a homemaker with the overflowing love that she exhibited for her family.*

“ Our sincere condolences on the passing of Helen. Your dad and mom were always so friendly to us living next door. Fat Tuesday will always hold a memory for your mother as she graciously always brought the boys and I a plate of yummy homemade fasnacht's. They looked forward to that every year. May she rest in peace and that you find comfort that she is back with Brick.

“ I am so sorry to hear of Helen's passing, but now she's with her Lord and Brick. What could be better than that! It was so wonderful to see her at the campground a few years ago and Cottage #30 will always be "the Fegley cottage" to me. Truly good people always live on in the lives of those they have touched with their generosity and kindness. Helen may be gone from this earth, but she will never be forgotten.

“ *Dear Family,*

I am Dorothy Woodside Law's daughter, and Helen and my mother were very dear friends. You have our sincere sympathy in the passing of your mother. She was such a dear lady, and I know that the Woodside girls and your mother are together in heaven.

I pray that you find comfort in knowing that she is with her husband again also. You must have so many loving memories of your mother and father. I know these will sustain you through these hard times.

I am so sorry I will be unable to attend her memorial service on Saturday, as we are out of state until the end of March, but my thoughts and prayers are with you.

May God bless you all.
