“ *Helen was my mother's dear friend and ally from November, 2017, thru December, 2020.*

Sharing similar backgrounds in education, both as elementary school teachers and as MU faculty wives, they formed an immediate bond as residents on Reed Run. They sat together, ate together, laughed, told stories, shared family visits, and always watched out for one another. Their friendship was a true gift.

*Our love and sympathy to your family,
