“ *Growing up with the Evans in our lives was really special. We had so much fun and your mom was such a part of that. It was privilege to stand up at Annual Conference as your Dad's name was remembered and I will do so for your Mom. Precious memories. Your mom and I exchanged mail after my mom's death. It was good to be in touch. Dad (Herman) is still kicking at 93 though he is slowing down from congestive heart failure. He lives with us, as does Robin who is on disability. Our thoughts and prayers are with you all in this time of loss and I celebrate all the laughter and pranks and exploding mice and board games and other fun that were a part of our lives. God Bless, Sue Ellen Brown Miller*
