“ *To Helens family - I loved all the years I was close with your mother-grandmother she always treated me like one of her children. I was so sad when she was stricken with such a nasty illness. I have so many good memories from the Pizzolo household and all of you a lot of good and a lot of funny memories. Time moves so fast so enjoy the moment. Signing this as your mother always called me her favorite neighbor and she was always my favorite neighbor! Jo*
