“ *Helen was one of the long time nurses at OBGYN of Lancaster who cared for and supported so many women. Helen always shared her caring joy and compassion as each patient needed. Among her many rewards now, she can look back on that "work" and know how it made a difference to each women, plus those of us who learned from her. Helen was a great sparkle of fun, football pool and party organizer, and friend. God bless Helen, and you Mike. My deepest sympathies to your family.*

“ Dear Mike,

Deepest sympathy to you and your family in the loss of Helen. While I really never knew Helen, I have always held you in high esteem since our days at McCaskey, Class of 1957. Thinking of you and the children as you make this great change in your lives. The memories we have of our loved ones can never be taken away.

Most sincerely,

“ My thoughts and prayers are with the entire family. Susan, your Mom was such a sweet soul. I know for a fact that she knew better when we tried to pull one over on her, but allowed us to feel that we had won. Know that she will always be with you. Love and peace to you all.
