“ *Having been a DJ myself for over 50 years I must say I truly enjoyed listening to Woodi on the radio. I loved his choice of music and his friendly banter and knowledge of the music he played. When he first went on the air I called him to tell him how much I enjoyed his radio show and wished him continued success. I will surely miss him as I am sure many who tuned in to his radio show will feel the same as I do. Rest in peace my smiling radio friend!*

“ Woodi, what I can say about him that everyone doesn't already know? I can't tell you how much I appreciated his friendship. His Saturday evening shows on ONM enlightened me with such beautiful Ballads. We had many conversations about Pittsburgh, me living here. I will never forget him.  
My deepest condolences to you.  
May his new journey be peaceful and blessed! 🙏

“ Woodi and I spent a lot of weekend nights together as he was the DJ at the Villa Nova West and I was the bartender. I will always remember are good times together there. Never forget the night he gave me a black eye. I was going out the kitchen door and he was coming in and boom hit me with the door above my eye next day black eye. Next weekend I went to his dj booth to show him my black eye and low and behold he had one to. We never forgot that.  
RIP MY FRIEND.

“ *The WOODMAN, we loved this man. He was such a talented person. He entertained us for years on his shows and the thousands of songs he shared with us. He made us laugh with his rhyming intros for the other DJs. From high on radio hill in beautiful downtown Lancaster, home of the Fightin' Amish, he brought us so much happiness. We will never forget his ballad show on Saturday night, a show he was so proud of, Comfy Cuddlers' Corner, the original, He was an ORIGINAL. Rest in peace WOODI, you will live forever in our hearts. thank you,*

“ *Mib, Stan and friends....I met Woodi in 1976. We were in a relationship for 6 years and managed to stay friends for 47 years. We shared so much history....and the love for music and dancing. I'm heartbroken he is gone and left us too quickly. My thoughts and prayers are with those left behind. Woodi is free from pain and hopefully playing music in heaven with 3 of his buddies; Rick, Ken and Mike Rieker. There will always be a place in my heart for him.*
