“ *Howard and I have been good friends since high school. We shared many good times over the years. It's sad to see good friends pass on. Maybe I'll see you on the other side one day, my friend. You will be missed. My condolences to his family and all his friends.*

“ I am so sorry for the loss of your brother and my friend. Howard is an intricate part of my history during major years of my life. He brought out many emotions in me and I am thankful for his friendship. I will cherish the many hours of chats, daydreaming, and him playing the guitar and singing to me. I am amazed that over the course of my 62 years of life, Howard is woven into 49 of them! He will forever be my prom date.
