“ Dear Lauren,  
Sarah keeps asking about you. "I hope she is ok." I have no way to contact you since the only number I had was Irene's. I don't want to lose contact with you. You and Sarah have known each other since you were babies.

To Lauren and Andrew and the rest of Irene's family. I am so sorry for your incredible loss. Irene and I spent many hours in the early days of our daughters' lives talking and talking. Smile. I know her faith in God was strong and thus we encouraged each other. I will miss Irene until we reunite in heaven. Fondly, Jane

“ Many years ago (20 ), I dated Mrs. Moody's son Steve, and I always remembered Mrs. Moody was so very sweet and caring. I always enjoyed my visits to their home. She made me feel special:). I am so sorry for your loss, I know firsthand that no words can truly assuage the loss of a parent. nor that of a grandparent and special friend. She was a lovely lady. Thoughts and prayers for comfort and peace to the family.

“ To Lauren and her family, I was sorry to read about the death of your lovely mother Irene Moddy in today's newspaper. She was such a happy upbeat person and spoke very highly of you in all of our conversations. You were always her top priority when we were looking at homes together. I enjoyed working with you both in finding your home in Lititz, should you need to sell it, please consider me. I wish you the best and may God provide you comfort at this time knowing your mom is in Heaven with Him and waiting for you someday to be reunited.
