“ *My sincere sympathy to the entire Frey family over you loss of this dear lady. She was always ready with a smile to greet those around her and was a very hardworking farmer. I remember spending the night at her house on more than one occasion with their daughter who was my school mate and good friend, Kathi. We'd talk and laugh till the wee hours of the morning and never a word was said by Mom and Dad who I am sure could hear us! On one occasion I happen to be eating a cherry Hall's cough drop to help with my cold. Drifting off to sleep, my drooling during the night unfortunately left a red stain on a crisp white pillow case. Sweet Mrs. Frey never complained!*
