“ Irene is my grandmother and I love and miss her so much. I wish I would have had the chance to know her better since we lived in different states. I remember spending the day with her when I was around 18 yrs old and I absolutely loved every minute of the day. We drove around, and boy she had a lead foot, the Amish and took a tour in a historical house, ate lunch with her veteran ladies, and then later in the day we saw a musical play and I LOVE plays! I miss her and tears still well up in my eyes when I think of her. I know this is a little late since she passed in 2016, but I didn't know this was on the internet and no one in my family told me. I LOVE YOU GRANDMA! YOUR #1 GRANDMA!
