“ *Am wondering if he was the brother of Nancy Weaver who graduated from Hempfield in 1959? I have been trying to locate her for our class reunions. I hope someone will answer either way - I appreciate it. We have located all class members but her. Thank you for any help you can give. Condolences for your brother/father. I was teaching at HHS. in 1965. Hope to hear from someone. Janet Cooper Rose.*

“ *Such an outgoing guy with a fun loving personality! I've known Ike since seventh grade. He had an engaging smile that could light up a room and a young girl's heart. He was the “dancing king” of the Hempfield Class of 1965 and will be missed and remembered with love.*

“ *Many fond memories from junior high right through high school with Ike. The best were the dances. Whenever we ran into each other over the years, he always had that smile and made me feel that he was as pleased to see me as I was to see him. I've no doubt that he was that way with everyone. I'll always have a smile on my face when I think of Ike, even though there will be a tear in my eye at the same time.*

“ Michelle,

*I'm so sorry you have to go through this. When I see that smile he always had on his face I can not help but think of all the fun your mom and dad and Larry and I always had doing something special every weekend. Mostly at Ocean City, MD. So many good times and memories. Rest In Peace Ike.*
