“ *We were so sorry to hear about Jackie's passing. We have been neighbors of Jackie's for over a decade, and enjoyed talking with her and hearing about her family. We talked about gardening, about work, and about how much she enjoyed her retirement. She was always so kind to everyone, especially our children. There are many people who will miss her, our family included. Deepest condolences to her family.*

“ I met Jackie when her sister Nancy and I were in junior high and high school. She and her mother were 2 of the kindest people I ever knew. As I said to Nancy on Facebook....Jackie had the greatest laugh. And whenever I ran into her over the years; she always updated me on Nancy and her family. Gone too soon.

“ Jackie has been our across-the-street neighbor for the past 13 years. It just seems wrong not to see her sitting on the porch in the evening. We loved her and will miss her. Jackie was the glue that held the neighborhood together.

“ Jackie's family,

I had the pleasure of working with Jackie at Armstrong. I know Jackie was a hard worker and enjoyed what she did. She was always very kind to me.

I also know, which I know you all know, she loved her family. You were all part of her daily conversations.

My thoughts and prayers are with you at this time.

Sincerely,

Sue Murphy

“ Chris, Nancy and family,
25 years ago, we lived in the other half of Jackie's home on State Street for nine months before we moved to our Race Avenue home. Please accept our sincere condolences. Jackie was always so kind to us and to our children, David, Michael and Jenny. We will be away in Cape Cod on September 1, but please know your family will be in our thoughts and prayers.
