“ Jim was the best man at our wedding over 39yrs ago. Through the years, we would try to catch up. I hadn't seen him for years and was saddened to hear about his death. By the way Jim; Fly Eagles Fly!

“ Looking at all the memories people have of Jimmy Boy. They all have one thing in common, how funny he could be. I also had many good laughs with Jimmy. I will miss seeing him when we come home to visit Pa. It doesn't seem real. Love ya Jimmy Boy, Patty

“ Jimmy was a good dude! He was the kind of guy you just look at him, and you know something funny going to come out of that mouth of his. I know he supplied me with much laughter. And that was over 40 years ago. I know he's going to be a hit it is Final Chapter

“ Our deepest sympathy to Aaron and family. Jim was a lifelong friend from our early school days. He had a great sense of humor and was quick to make you laugh. Jim will be missed, but the memories of our times together will live on. Godspeed my friend.

“ I am not sure if I have the words to express the sense of loss, but here goes...

From the time we were little kids we found laughter and that followed us into adulthood. I miss Jimmy's laugh and our conversations and always will.

Jimmy got me interested in different types of Rock and Roll music and stereo equipment, and he was a audiophile who appreciated a vast number of various types of high-fidelity sound reproduction systems and manufacturers.

Jimmy's enthusiasm for sports was inspirational as he was a huge fan of the Dallas Cowboys and Montreal Canadiens. He followed and stuck by those teams regardless of their ups and downs.

I and many others miss you...

Rest in Peace Jimmy Boy!
