“ My deepest condolences go out to the Beattie family. I can't believe Jamin is no longer with us. I just keep thinking he will pop in for a visit with the tomato truck. He has been such a wonderful friend to my husband Sean and myself. I always enjoyed talking with Jamin. He was such a kind, smart, and funny guy. He went out of his way to help us with so many of our house remodeling projects. Sean loved Jamin like a brother and he will be missed daily. We are grateful for the time we had with him. Rest easy Jamin... till we meet again. I pray that God's peace be with your family during this difficult time.

“ To Jamin's family who raised a kind and caring young man, who truly was a friend to anyone he ever met. As a kid, it was a blessing to grow up with Jamin and play against him on the baseball diamond. Growing older, we spent many years enjoying life and throughout high school, we rocked the saxophone section in band. Many times we would use our 3rd quarter breaks to be throw the football and ruin our uniforms. As always, he was a great friend and certainly a person that everyone enjoyed being around. He will be greatly missed by everyone, including his McCaskey Family. Rest East Jamin and know we will always remember you. Prayers to the Beattie Family during this time.

“ It is extremely sad when someone leave this world so young. I was proud to call Jamin a friend. We played volleyball together for many years. He was very talented and a great leader on the court. He also had a great heart. He will be missed by me and countless others who crossed his path. Farewell.

Cheryl and I were very saddened to hear of your loss. How devastating. We can't even imagine. We do seek God's comfort for you at this time, when questions can only help but be flooding your mind. We pray that you will know our Lord's peace and gracious hand of comfort.

We remember our times with your family at Manor and then Millersville. They were good and precious times. I especially remember playing basketball with Jamin on Monday nights when we just played pickup ball together. He was a good ball player and gentle soul. He was easy to like.

We will be out of town the day of the services and not able to attend. We are sorry to miss this time of remembrance and sharing in our loss together. We are thankful for the many onthers who will be there to comfort you personally.

*With love, deep sympathy and fond memories,
